

## **NOTICE TO ZCAS ACCA & FIA STUDENTS AND LECTURERS**

### **ACCA ELECTRONIC RESOURCES ACCESS**

The Association of Chartered Certified Accountants (ACCA) has provided ZCAS registered students (FIA and ACCA) with access to electronic copy resources to support their learning. ZCAS has been advised by ACCA that BPP and Kaplan are no longer platinum suppliers of learning materials.

Hence note that ZCAS will no longer stock hard copies of ACCA study materials in the bookstore. Once the current stock is depleted, students and lecturers can access study materials exclusively through the ACCA website.

#### **A. FOR STUDENTS:**

1. Log in to My ACCA using your ACCA credentials
2. Navigate to My Qualification
3. Select your course (e.g., M1 for Introduction to Certificate in FIA)
4. Access study materials, including:
  - Course Notes
  - Question Practice
  - Quizzes
  - Flashcards

#### **B. FOR LECTURERS:**

Access study materials through the Educator Hub on the ACCA website.

For assistance or more information, please contact the ZCAS ACCA support team.

**Thank you for your cooperation**
