

Merry Christmas And a Happy New Year

To our esteemed sponsors, parents, guardians, and students, the Board, Management, and staff of ZCAS wish you a prosperous 2026 professional and academic journey.

We thank you for your continued support and confidence in our suite of programmes and services we offer. Thank you for believing in our ZCAS brand and for being loyal customers.

ZCAS has grown leaps and bounds, particularly with the creation of our subsidiary, ZCAS University, which offers and awards academic degrees at both undergraduate and postgraduate levels. ZCAS University now commands a student enrolment of not less than 5,000 students annually. As a group, the ZCAS Group, our student population is now over 7,000 per annum. Without you, this would not have been possible.

We have a one-stop learning environment that offers you both professional and academic pathways, meaning that both qualifications can be obtained at ZCAS and ZCAS University before finally exiting.

To all our school leavers wanting to study with ZCAS, ZCAS provides merit-based scholarships. Visit our website at www.zcas.ac.zm or our Facebook page at www.facebook.com/officialzcas to learn more about the various programmes we offer.

We stand tall because of our continued quality control and assurance, which has become a bedrock of our existence. We pledge continued student learner support that is second to none.

WE WISH YOU A BLISSFUL 2026 PROFESSIONAL
AND ACADEMIC JOURNEY.

ZCAS: THE HUB OF PROFESSIONAL STUDIES
